10 - Adopt a stream
- Old growth forest

A photograph of a winter forest. In the foreground, there are evergreen trees heavily laden with snow. The ground is covered in a thick layer of white snow. In the background, a dense stand of thinner, bare trees (likely deciduous) rises against a pale sky. Sunlight filters through the trees, creating a dappled light effect on the snow.

11- Carbon Management -Over story removal

12 Weeding /PCT

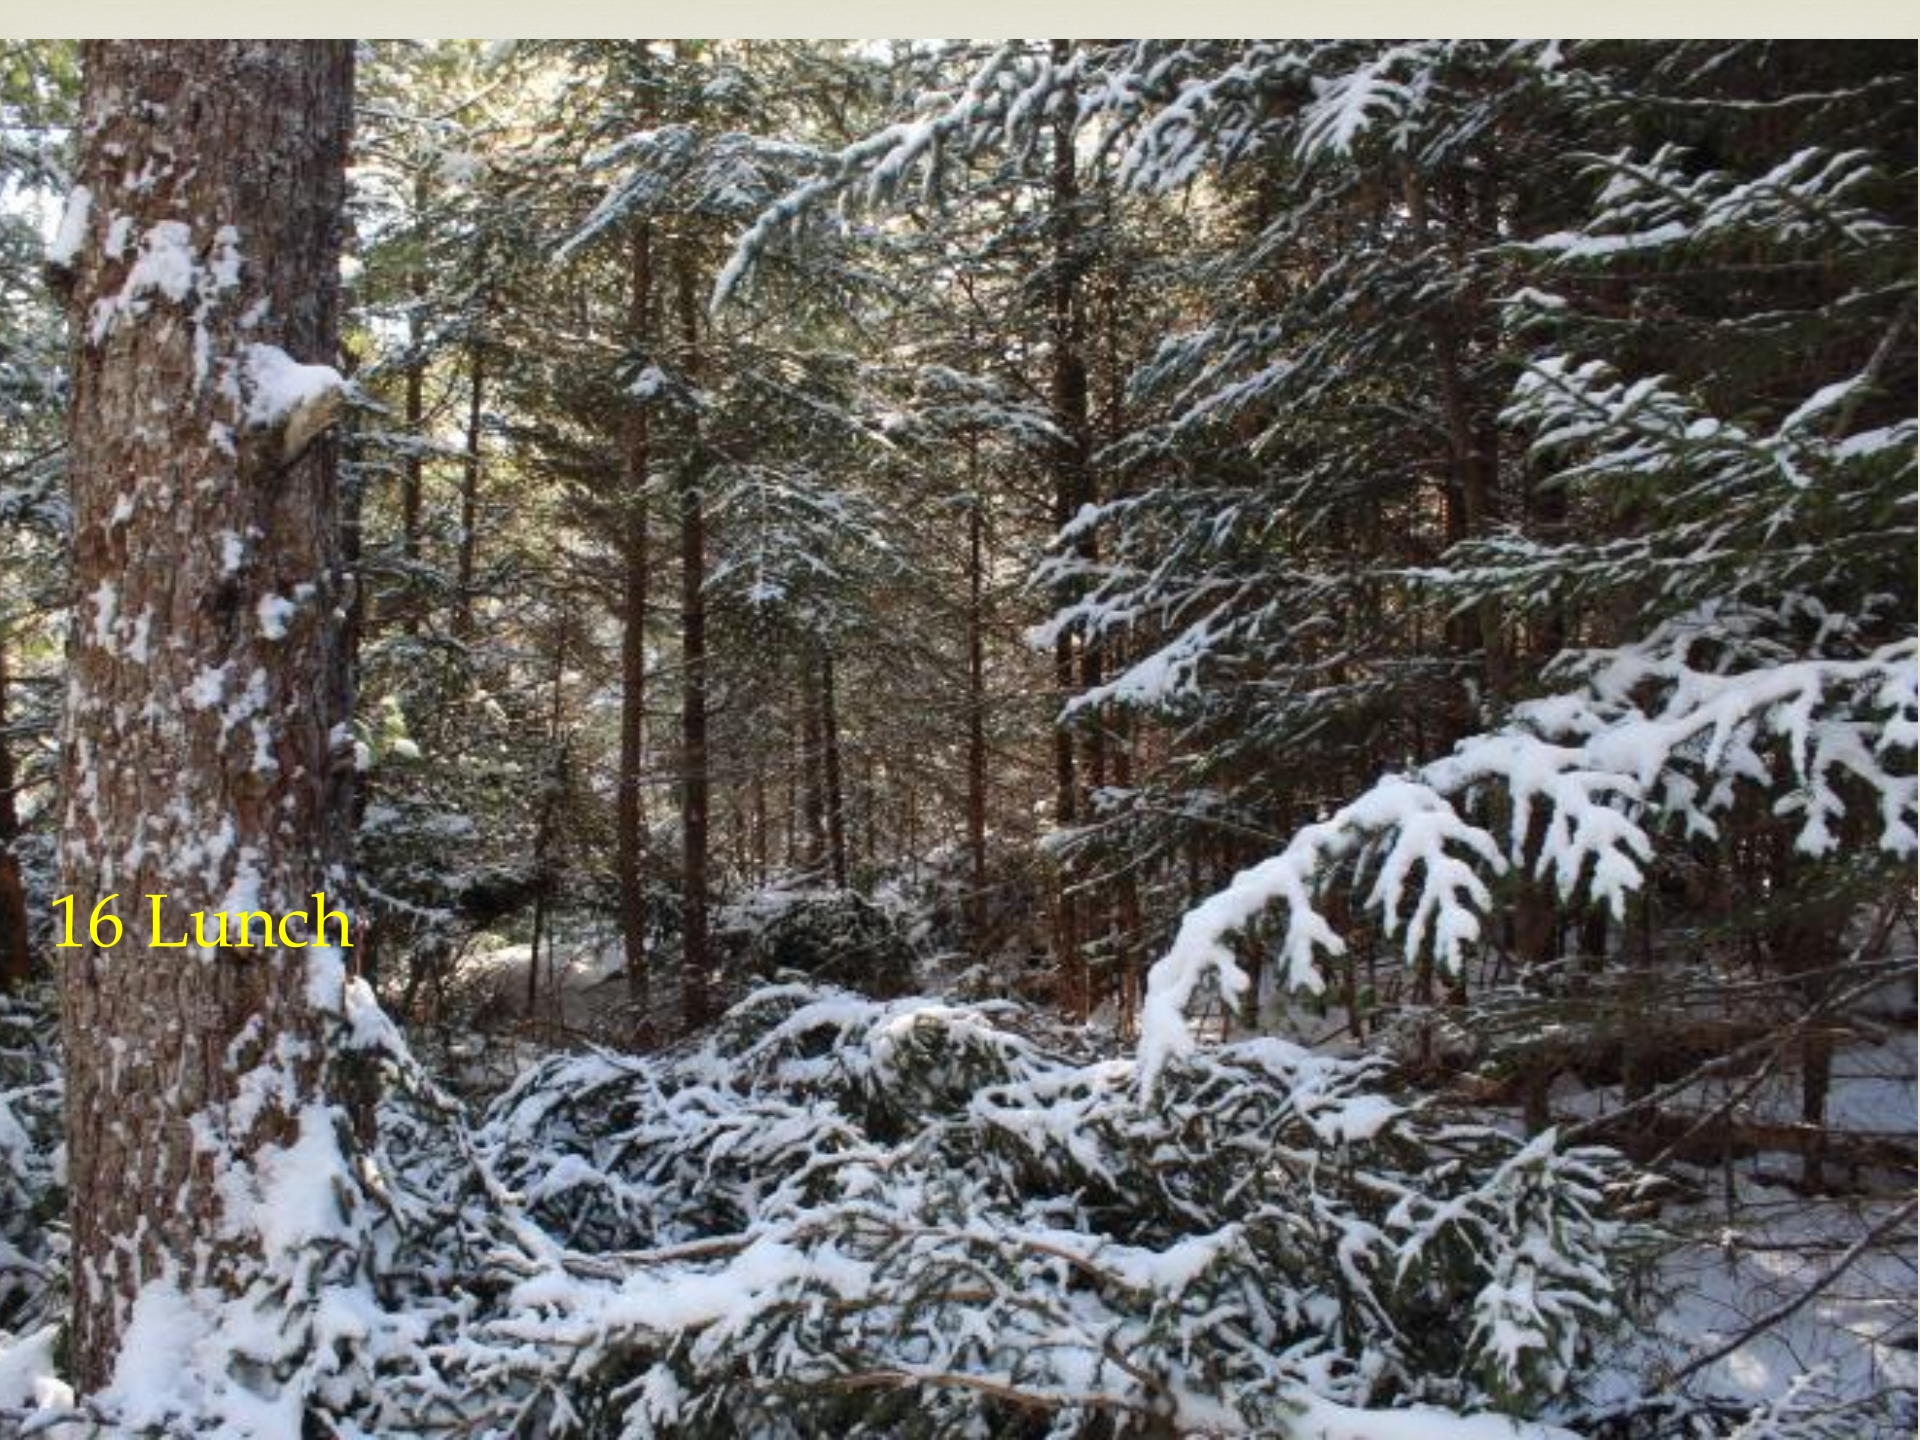

13 Wildlife /Boundary maintenance

14 Selection Harvest

15 Wendell's oxen
