Turbulence in Forestry Can We Fix It?

How Many Problems Can I list?

- 1. Lack of low grade wood markets
- 2. Stumpage prices falling
- 3. Public support for forestry varies
- 4. Fewer trained workers
- 5. Gov't support programs are at risk
- 6. Pressure for more protected areas
- 7. Shrinking Forest Sector means fewer options
- 8. Insects invading
- 9. Contractors struggling or not available
- 10. Aging landowners
- 11. Taxes are high
- 12. Forest fires are coming
- 13. Wind storms are coming
- 14. USA tariffs
- 15. I need to buy groceries and pay my mortgage
